Phone Booth

**Oasis Linear Phone
Booth**

Create a peaceful environment for phone calls. Oasis Berco office phone booths are equipped with top-of-the-line acoustically absorbent materials, LED lighting, and an air circulation fan for maximum comfort. Plus, they offer the convenience of both sitting and standing options. Unlike other systems, Oasis Linear acoustic phone booth stands directly on your office floor, eliminating trip hazards and allowing for quick installation. ETL Listed; conforms to UL STD 962

Studio

Oasis Linear Studio provides a serene oasis for uninterrupted work and seamless video conferences. Upgrade your work environment with our spacious Linear Studio video call booth. With 15% more square footage than our Linear Phone Booth, you'll enjoy maximum comfort and a 40% larger work surface for enhanced productivity. Whether you need a dedicated space for video conferencing, a quiet room to focus on your tasks, or a sanctuary to escape the office chaos, the Oasis Linear Studio is the ultimate office pod for you.

Pods

A quiet space for collaboration or private one-to-ones is always hard to find in a modern, open plan office environment; Oasis Linear Duo and Team Pods are the ideal solution. Fully enclosed meeting pods with a ceiling and glass rear wall, team pods stay light, airy, and fresh, yet private. With no compromise on comfort, the pods include top-of-the-line acoustically absorbent materials, an LED ceiling light, air circulation fan, and occupancy sensor. Oasis Berco also has a collection of open office Soft Team Pods available. If you are interested in the acoustic meeting pods we offer, feel free to get in contact with us today! Linear Duo Pod

Booth

This versatile office booth caters to all your needs, whether it's group work, presentations, video conferences, or personal activities like reflection or meditation. With ample room for three or more people, this open-front booth offers complete privacy with a full ceiling. Customize it with glass wall panels, worktops, or comfortable low back sofas to create the perfect office privacy booth for your team. Our booth is ADA compliant and ETL listed, ensuring top quality and safety.
