OASIS BERCO SOFT DUO HUBS ARE "PLUG & PLAY"

If you've added a Power/USB/HDMI unit to your Soft Team Hub, you'll simply install the unit in the table top (instructions provided), run the power cable through the grommet closest to the work surface down through the cavity in the wall, then connect the cord to a power source either from the inside or outside of the Hub through the grommet at the bottom of the wall panel.
