

PALISADE

Palisade Tables are manufactured with Berco's goal of quality and value and are ideally suited for use in a myriad of settings including corporate training rooms, cafeterias, educational settings and healthcare environments. Your choice of options make our Palisade tables adapt to your specific requirements.

Table Pedestal Specifications Finishes: Available in textured standard powder coat finishes. Custom finishes available. Please contact Customer Service for quotation.

Construction: Made with a 1 1/4" 16 gauge cold rolled steel tubing welded to a 6 X 6.2" thick steel mounting plate designed to place the legs into the corner of the tops. For tops greater than 48" length, a table stiffener is added to diminish the possibility of top warpage. Legs are shipped, assembled, and ready to attach to the tops.

Glides and Casters: All tables are equipped with 2" diameter glides with brushed stainless steel cover over black plastic foot. The stem is M10 and 15mm long. The glide is suitable for carpet, as well as hard floors. Our high quality twin wheel locking casters are offered as an option.
