

Oasissoft

Oasis Soft FreeStyle

Oasis Soft FreeStyle offers the ultimate in booth flexibility. Choose a static booth or an easy-to-move mobile unit with locking casters. Choose a louvered ceiling or an enclosed/lighted ceiling. Add battery packs for complete mobility throughout the day: simply charge on a standard wall outlet overnight. Great for small meetings, or gang them together for larger gatherings.

FreeStyle is made in the UK with a selection of upgraded finishes and device charging options.
