

TELESTO

TELESTO

Our Telesto Table System is a complete family of tables solely developed by Berco's designers and engineers with the goal of aesthetics, quality and value contributing to the finished product.

Table Pedestal Specifications

Finishes: Offered in Standard Textured powder coat finishes. Our unique mechanical construction creates a flawless seam when matching column finishes with any base finish.

Glides and Casters: All tables are equipped with 2" diameter glides with brushed stainless steel cover over black plastic, 10mm threaded with 15mm long stem. The glide is suitable for carpet as well hard floors. Our twin wheel locking casters are offered as an option.

Pedestal Specifications

Fixed end base pedestals feature an aluminum column and spider support with die-cast aluminum base and are attached with (2) 3/8"-18 threaded steel rod and flange nut at 35 ft/lbs torque.

Folding mechanism

Our patented spring loaded folding mechanism is fully riveted to a steel mounting plate. Vinyl bumpers are integrated into the mechanism allowing for a non-marring, 3-1/2" stacking height. Equipped with molded release handle. Integral catch holds leg in folded position. Folding legs feature the same column housing as Telesto stationary tables attached to Berco's patented mechanism.

Telesto Table Options

There are several options available on Telesto including:

- Nesting
- Folding
- Special Height

TELESTO BASE SPECIFICATIONS
