WEST END

# WEST END

With a sleek, industrial look, West End adds new dimension to collaborative-style tables. Available in 30", 36" or 42" heights, and lengths up to 120" as standard, West End offers over 20 standard sizes.

Each West End end base is made of (2) 2" x 2" steel uprights joined together by a 1.5" x 1.5" joiner bar. For additional support, West End tables include a cross bar that attaches the lower portions of the 2 end bases.

Tops available in rectangle.

Options available: Seated height, Standing height, Glides, Casters, Butcher block top
