RANGE

RANGE

Elevate any space with this customizable modern booth, designed for style, comfort, and versatility. With a range of back cushion details and panels offering different levels of privacy, this booth is perfect for any dining, lounge, or workspace environment. This modern booth seating combines sleek lines with a sophisticated finish. Choose from four distinct back cushion options to match your aesthetic and comfort preferences.

Tailor the booth to your space with three height options:

- Low Height - Ideal for relaxed, casual seating arrangements.
- Standard Height - Perfect for dining spaces and versatile applications.
- Privacy Height - Provides extra privacy and an elegant, grand appearance.
