

# ROGUE

## ROGUE

Crafted with precision engineering and uncompromising quality, the Rogue embodies the essence of its namesake – a rogue, a maverick, a trailblazer in the realm of gaming furniture. Like the Rogue itself, the table flows seamlessly between realms, offering gamers the freedom to adapt and conquer their physical and virtual worlds with unmatched comfort and style.

### KEY FEATURES

**Ergonomic Design:** The curved polyurethane edge provides superior comfort, reducing strain on your wrists and forearms during long hours of work or gaming.

**High Load Capacity:** With a maximum load of 300 lbs, Rogue is built to handle all your hardware and office essentials without compromising stability.

**Quick Installation and Accessorizing:** Designed with convenient cutouts for cables and accessories, setting up your workspace has never been easier or more efficient.

#### Material and Durability

Rogue is constructed with a durable, matte, thermal-healing FENIX surface, ensuring it remains sleek and resistant to scratches and fingerprints. Its American, grade 45 cold-rolled steel legs provide robust support, complying with BIFMA X5.5 standards for safety and durability. We prioritize sustainability with the use of wood fiber compliant with ECC Standard 4-19, contributing to a greener planet.

#### Installation and Maintenance

Experience hassle-free setup with Rogue's user-friendly installation process. Maintain its pristine condition effortlessly, thanks to the easy-to-clean surface that withstands daily wear and tear.

#### Warranty

Feel confident in your investment with Rogue's 10-year limited lifetime warranty
